

Worksheet 2: While Watching: Ancient Egypt Video Notes

Purpose: Keep students engaged during the video.

Name: _____

As you watch, jot down answers:

What kinds of chores did kids have?

What subjects did they learn in school?

What games or fun activities did they play?

What was one thing that surprised you?

★ Favorite Fact:

Differentiation: For K–2, teachers can pause the video and fill in the answers together.

Answer Key

Chores kids had:

Helping with household tasks
Fetching water
Feeding animals
Helping in the fields

Subjects learned in school:

Reading and writing hieroglyphs
Math
Religious teachings
History and culture

Games or fun activities:

Playing Senet (board game)
Skipping ropes, marbles, or other small toys
Music and dancing

One surprising thing:

Students' answers may vary (e.g., "Kids played board games like Senet," "They learned math using stones," etc.)

★ Favorite Fact:

Students' answers will vary
