

Worksheet 3: After Watching: Then & Now Compare Chart

Purpose: Build comprehension through comparison.

My Life Today	Life of a Child in Ancient Egypt
Go to school with computers	Learn with reed pens and papyrus
Play video games	Play Senet board games
Eat pizza	Eat bread and dates
Live in a house with electricity	Live in a mud-brick home

Extension: Color or draw a scene from each side of the chart.

Answer Key

My Life Today	Life of a Child in Ancient Egypt
Go to school with computers	Learn with reed pens and papyrus
Play video games	Play Senet board games
Eat pizza	Eat bread and dates
Live in a house with electricity	Live in a mud-brick home

Purpose: Build comprehension through comparison.

Extension Activity: Students can color or draw scenes on each side of the chart showing modern life vs. life in ancient Egypt.

✓ Notes for Teachers:

- Students' drawings may vary, but the chart content above reflects factual comparisons.
- Encourage discussion about similarities and differences between their lives and children's lives in ancient Egypt.
